

# Tweenie Room

**2-3 years**

**Ratio 1:5**

Tweenies will enter a world of discovery! Your child will have the freedom to explore and investigate through play activities such as sand, water, paint and pretend play. Tweenies learn to share and cooperate with others at playtime and mealtimes, developing social skills and self-reliance. Tweenies have access to the large garden every day and take part in music, movement and drama on a weekly basis.
